

tax matters

wendy mcbride, tax expert

Wendy McBride joined ammu in 2020, a highly experienced tax specialist who is leading and strengthening ammu's tax department.

Wendy is ensuring that our clients are maximising all the tax reliefs and allowances they're entitled to access - as well as helping them with planning ahead to minimise potential future tax liabilities.

Excelling at tax planning and proactively helping our clients Wendy identifies planning incentives and managing the impact of tax reliefs and allowances on their income, investments and assets.

Also, Wendy is helping our clients to think differently about passing on wealth, retirement or selling the business.

Wendy is ready to help with every aspect of your tax situation from advisory to compliance and helping with trusts and tax-efficient planning.

With Wendy McBride's support tax planning is rewarding and you only pay the tax owed, not a penny more.
